## Elective Courses

**Electives:** Middle school students take two periods of electives. Some elective classes are year-long and some elective classes are only one semester (1/2 year). Students who are in need of academic support classes will take such classes in the place of a year-long or semester elective. As an IBMYP school, Key Middle School highly encourages each student to take year-long language acquisition courses in both 7<sup>th</sup> and 8<sup>th</sup> grade.
